

Massage Offer

SWEDISH massage:

The most popular type of massage in Europe. It is used to refresh tired parts of the body through its relaxing and pain-relieving effect. It can be applied as a full or partial body massage

25 min: € 35 / 55 min: € 55

REFRESHING FOOT massage:

The foot massage relaxes and soothes. It strengthens the immune system and reduces stress; it has a refreshing effect. Refreshing massage for our feet, maintaining our general health and improving our well-being is always a suitable method.

20 min: € 40 / 40 min: € 65

RELAX massage:

A type of massage based on swedish massage techniques. A gentler, slower, superficial massage with aromatic oils, consisting mainly of stroking movements. It is very pleasant to relax tired and stressed muscles.

25 min: € 35 / 55 min: € 55

SPORT massage:

A powerful, deep back massage. The massage that moves the muscles well, works through the muscles and focuses on problem areas.

25 min: € 35

MANAGER massage:

Massage with special attention to the back-shoulder-neck area, refreshing, moving, deep but softly massage.

25 min: € 29

CHOCOLATE massage:

A sweet treat that contains many pleasurable elements, starting with the aroma and soft texture of chocolate. Cocoa butter stimulates and energises the muscles while moisturising, softening and enhancing the vitality of the skin. The chocolate body massage is especially ideal for dehydrated skin.

40 min: € 65
